

NAC 587.340 Fees for inspection, grading and certification; security for payment of fees.  
([NRS 587.360](#))

1. The fees for the inspection and certification of potatoes at their point of shipping will be determined by agreement between the State Quarantine Officer and the processor of the potatoes. If those fees will exceed \$2,000 in a 30-day period, the processor of the potatoes must provide to the Department a surety bond or another form of security that is satisfactory to the Director to guarantee the payment of the fees for the 30-day period immediately succeeding the date the security is provided. The fees will not be less than:

(a) The actual cost of providing the inspection and certification services; and

(b) The fee charged in accordance with the contract between the Department and the Federal Government for certifying that the potatoes comply with the standards and conditions established by the Federal Government.

2. The fees for inspection, grading or certification of other agricultural products:

(a) Are:

(1) Forty dollars for each hour the inspector spends conducting the inspection, grading or certification, including the time spent traveling to and from the location where the inspection and certification are conducted;

(2) The mileage allowance established by the State Board of Examiners for state officers and employees pursuant to subsection 3 of [NRS 281.160](#) for the inspector's travel; and

(3) Any fee charged in accordance with the contract between the Department and the Federal Government; and

(b) Unless they are for a one-time or intermittent inspection, grading or certification, must be secured by providing to the Department a surety bond or another form of security that is satisfactory to the Director to guarantee the payment of the fees for the 90-day period immediately succeeding the date the security is provided

3. In addition to any fees required pursuant to this section, the State Quarantine Officer will charge a fee of \$50 for the inspection of forage for the presence of noxious weeds.

4. Special arrangements, including arrangements for fees, must be made with the State Quarantine Officer for the inspection of agricultural products for processing. The fees for such an inspection must be secured by providing to the Department a surety bond or another form of security that is satisfactory to the Director to guarantee the payment of the fees for the 90-day period immediately succeeding the date the security is provided.

5. If the State Quarantine Officer or his or her designee inspects agricultural products in the field for the purpose of issuing a phytosanitary certificate required by the government of a state or of a foreign country before those agricultural products may be exported to that state or country, the State Quarantine Officer will impose a fee of \$4 per acre for the inspection.

6. If the State Quarantine Officer or his or her designee issues a phytosanitary certificate, an export certificate for processed plant products, [a certificate of origin](#), or a free-sale certificate as required by the government of a state or of a foreign country before agricultural products may be exported to that state or country, the State Quarantine Officer:

(a) Will impose a fee of \$25 if the shipment of agricultural products is made for commercial purposes;

~~—(b) Will not impose a fee if the shipment of agricultural products is made for noncommercial purposes; and~~

(c) Will impose any fee required to be collected and passed through to the United States Department of Agriculture.

7. As used in this section:

[\(a\) certificate of origin means a certificate that verifies the agricultural commodities or farm equipment originate from Nevada.](#)

~~—(a)~~ (b) “Export certificate for processed plant products” has the meaning ascribed to it in 7 C.F.R. § 353.1.
